Welcome to our Spring / Summer 2024 Babette Wasserman collection. We have been designing and producing hand crafted jewellery for men and women since 1997. As we enter into a new year, we are super positive about the future and with a shortlist under our belt as 'Eponymous Designer of the Year' at the UK Jewellery Awards last year, we are seeing trade bounce back. Our innovative manufacturing techniques coupled with our inventive design makes our collections unique! With a range of hand carved semi-precious stones, Swarovski Crystals® and the highest quality of Italian leather I strive to create the finest collections of cufflinks, men's bracelets and accessories. All our pieces are hand made and packaged in our beautiful signature purple boxes and pouches.

I hope you love our new range!
